## COOK TIME

25 minutes

## TOTAL TIME

25 minutes

## Ingredients

- 1 box of white or lemon cake mix (Split the mix in half)
- 1/2 C. butter, melted
- 15 oz can of lemon pie filling
- 6" spring form pan
- tin foil

## Instructions

Gently wrap the bottom of the spring form pan with tin foil.

Combine the melted butter and 1/2 of the cake mix.

Spread the lemon pie filling on the bottom of the spring form pan.

Spread the cake mix over the top.

Add 1 cup of water to the bottom of the Instant Pot and place the small rack/trivet on the bottom.

Cover the top of the spring form pan with foil and gently place in the Instant Pot. If you prefer you can use the foil to make a 'sling' and slide it under the spring form pan prior to placing in the Instant Pot and gently fold the sides up on top of the pan.

Place the cover on the Instant Pot, touch manual and then set the timer to 25 minutes and allow the valve to release naturally.

Serve with vanilla ice cream (optional).
