

Lemon Pepper Salmon

If ya'll haven't had instant pot lemon pepper salmon you are missing out!

Aldi's large salmon filet (\$7)

One lemon

2 garlic cloves

Tones lemon pepper seasoning

I just dusted the top of the salmon with the tones lemon pepper seasoning. Then zested lemon over salmon, sliced it and set on top. Add 2 garlic cloves over top. 1 cup of water under rack. Set salmon on foil on rack. Pressure cook 10 minutes and wait to quick release for 2 minutes after. 8 minutes for smaller filet.
